## Stepping up to reduce food waste:

A collaborative effort with **Gillingham Street Angels**

In an exciting initiative to combat food waste and support our community, we recently provided 180 boxes of Skittles, Kirsty's apple pies, Kirsty's lemon cheesecakes, and Kirsty's macaroni cheese—all nearing their Best Before date. This significant step not only helps in reducing food waste but also fosters a collaborative effort with Gillingham Street Angels, a charity close to our hearts.

Gillingham Street Angels was founded in 2018. The founders were moved to action by the rising homelessness in Medway and sought to make a difference in their community. They feed an astonishing 26,000 people each month, averaging 300 meals a day. Their efforts are a lifeline for many in the community.

### They Provide:

- **Soup Kitchen: Every Wednesday from 8 am to 12 pm, serving 17 different dishes.**
  - **Food Bank: Offering essential supplies for those in need.**
  - **Food Hub: Distributing food to families across the community.**
- Operating such a vital service comes with substantial costs, approximately £1 million annually. To raise these essential funds, Gillingham Street Angels run:
- **7 charity shops across Medway.**
  - **A cafe offering delicious meals and a welcoming space.**
  - **Various fundraisers and rely on generous donations.**
  - **Catering services for events, including hog roasts and BBQs.**

We are proud to join the ranks of many companies supporting Gillingham Street Angels. By contributing our surplus products, we not only help to reduce food waste but also support the vital services provided by this remarkable charity.

Our involvement with Gillingham Street Angels is our commitment to the community. Together, we can make a significant impact, ensuring that no food goes to waste and no person goes hungry.

## BRITISH FOOD FORTNIGHT

20TH SEPTEMBER - 6TH OCTOBER 2024

Consort are proud to work with Marshfield Farm Ice Cream B Corp

British food fortnight works by encouraging everyone to buy British produce.

By buying British you will be supporting the economy; everyone from the farmer, to those who work in food processing and the shops, pubs and restaurants selling the products.

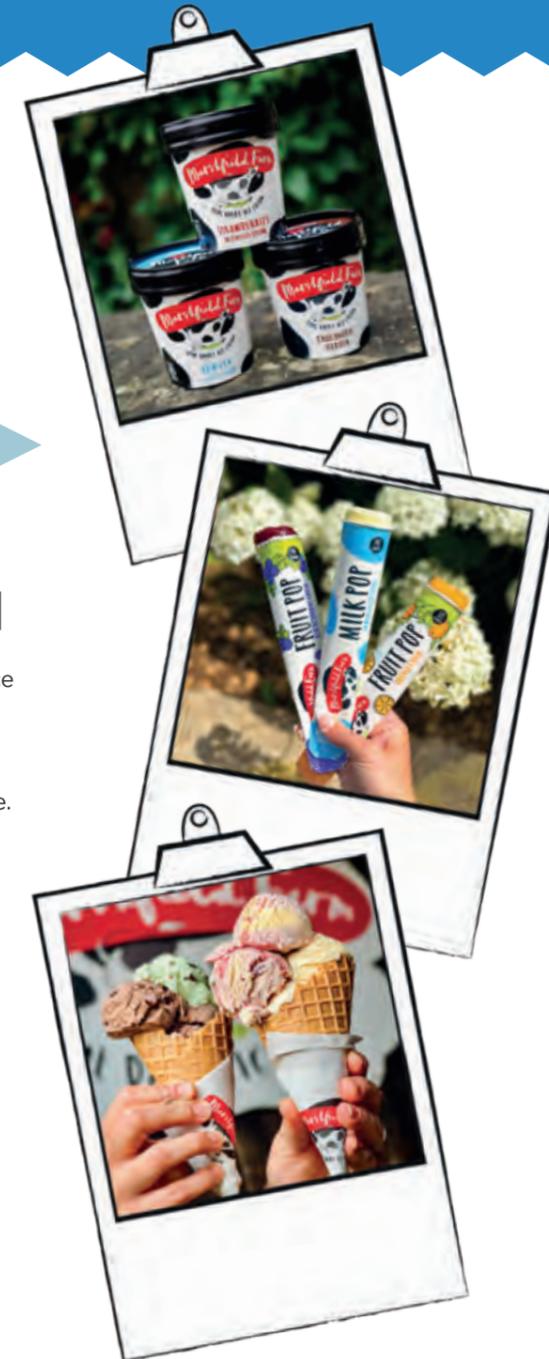

### One family, one farm, one herd

We are a homegrown British farm and family of award-winning ice cream makers. We believe that we are one family, one farm, one herd working together to make people smile.

Marshfield Farm Ice Cream was established in 1988 and since then they have gone from strength to strength in the world of ice cream and reducing environmental impact. Here are just some of the benefits of stocking Marshfield Farm Ice Cream.

- Multi Award-winning range of ice cream & sorbets.
- Every drop of fresh farm milk in their ice cream can be traced back to the fields they call home.
- 100% Recyclable packaging.
- 1,400 solar panels across the site provide 42% of their electricity requirements.
- Animal welfare is their highest priority, the herd receive daily health checks and fortnightly vet visits to keep them in tip top condition.
- Reduced the carbon footprint of their ingredients by sourcing more locally.
- Regenerative farming; they use innovative farming techniques which keeps the cows healthy & happy, whilst increasing the biodiversity of the farm and it's carbon holding ability.
